Corporate Social Responsibility Centre Pakistan (CSRCP) in Pakistan
Sep 2017 – Aug 2018

To enhance understandability of standards and strengthening reporting practices, CSRCP presents "GRI Standards Certified Training" in Pakistan. CSRCP has been actively playing its role in promotion of sustainability reporting in Pakistan through consultancy, training, assurance and research on sustainability since 2010. CSRCP became the first Certified Training Partner of GRI in Pakistan in August, 2015. CSRCP is Gold Community Member of GRI and GRI's official data partner for Pakistan.

GRI standards are globally used by organizations for preparation of sustainability reports. Almost 72% of the largest 100 companies in 41 countries and 74% of worlds' largest 250 companies use GRI standards.

The certified training course comprises of five sections – an introduction and background which includes the business case for sustainability reporting, an overview of the GRI Standards, GRI Standards, using GRI Standards for preparation of sustainability reports and additional resources.
